INTERNATIONAL MEDICAL GROUP

# Why Consider International Travel Medical Insurance?

Traveling abroad can be an exciting experience, especially when you're involved in an educational or cultural exchange program. But what would happen if you became ill or injured while away from home? Your experience can quickly turn frightening if you're not prepared for a medical emergency.

Whether your trip takes you abroad for a few weeks or a year, your cultural exchange experience should be an enjoyable one. You have enough to worry about when you're traveling. Don't let your medical coverage be an uncertainty. International Medical Group® (IMG®) has developed Patriot Exchange Program℠ to provide you, your group, and your dependents traveling with you Coverage Without Boundaries®. The plan offers a complete package of international benefits available 24 hours a day. Simply select the plan option that best fits your needs.

# Patriot Exchange Program

The Patriot Exchange Program is designed to meet the U.S. visa insurance requirements for individuals and groups of two or more students studying abroad or participating in a cultural exchange program, including J1 and J2 visa holders. Coverage may be purchased for spouses and unmarried, dependent children traveling with the student/participant. Individuals and groups have the option to select from different plan options - $50,000, $100,000, $250,000, and $500,000 maximum limit per illness/Injury. The $50,000 maximum limit per Illness/Injury option does not comply with J1 and J2 visa requirements. This program also offers three different areas of coverage, and an Optional Add-On plan for high school, interscholastic, intramural, or club sports, personal liability and legal assistance. In addition, groups may purchase annually renewable long term plans that have the flexibility to be tailored to meet specific needs of each program.

When seeking treatment in the U.S., you have access to the Preferred Provider Organizations (PPO), which are separately organized networks of hundreds of thousands of established, highly qualified health care physicians and many well-recognized hospitals in the U.S. You can quickly search the network through MyIMG. Additionally, to help you locate health care providers outside the U.S., IMG provides its online International Provider AccessSM (IPA), a database of over 17,000 providers.

**Akeso Care Management® (ACM®)**

ACCREDITED HEALTH UTILIZATION MANAGEMENT

The ability to access quality health care is of paramount importance when a medical emergency arises abroad. To coordinate care and provide U.S. and internationally based medical management services, IMG formed ACM, a URAC accredited, on-site specialized division devoted entirely to medical management. ACM's clinical members are experts at assessing the need for services and ensuring those services are delivered in a timely, cost-effective manner.

From routine medical care to complex case management, from check-ups to emergency medical evacuations, ACM is there for you. They are committed to patient protection and empowerment, quality operations and provider compliance. This translates into better care for you - around the world, around the clock.

**Universal Rx Pharmacy Discount Savings**

This is a discount savings program available to every insured of the Patriot Exchange Program plan. This program allows card holders to purchase prescriptions at one of over 35,000 participating pharmacies in the U.S. and receive the lower of **1)** Universal Rx contract price or **2)** the pharmacy regular retail price.

This *discount* program is not insurance. It is purely a discount program available to insureds in the Patriot Exchange Program plans. Use of the discount card does not guarantee that medication is covered or will be reimbursed under the insurance plan.

# PEP Claims Procedure

**Precertification:**
Certain treatment and supplies including hospital admission, in-patient or out-patient surgery, and other procedures as noted in the Certificate Wording must be Precertified for medical necessity, which means the insured person or their attending physician must communicate with an IMG representative at the number listed on the IMG Identification Card prior to admittance to a hospital before receiving certain treatments and supplies, or performance of a surgery. In case of an Emergency Admission, the Precertification must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not Precertified, eligible claims and expenses will be reduced by 50%. It is important to note that Precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All medical expenses eligible for reimbursement must be medically necessary and will be paid or reimbursed at usual, reasonable, customary rates. Please refer to the Certificate Wording for full details of the Precertification requirements.

***For Precertification, emergency evacuation and repatriation, please call:*** IMG in the U.S.: 1.800.628.4664 (toll free) or 1.317.655.4500. Call IMG outside the U.S.: 001.317.655.4500 (collect if necessary). This information will also be provided on your ID card.

***Note:*** *You may begin the Precertification process through MyIMG or the Client Resources section of www.imglobal.com. Simply look for the Precertification option. You will be asked to provide the required information, which can then be submitted electronically. Once we have received all required information and medical records, our utilization management and review team will review the information provided and normally responds to the insured person or the provider within 2 business days. Please note that this online service will only initiate the process for treatment and supplies outlined in the contract, and it should not be used to request pre-certification for emergency admissions, procedures, or evacuations.*

**Claims Payment:**
All benefits payable under Patriot Exchange Program are subject to the terms and conditions in the Certificate of Insurance. To make claim processing efficient, claims for eligible medical expenses may be paid in two ways:

1. Eligible expenses that have been paid by or on behalf of the insured person may reimbursed by check directly to the insured person.
2. Eligible expenses that have not yet been paid by the insured person may, at the option of IMG, be paid either to the insured person or directly to the provider.
