

Global Group ADMINISTRATOR FORM

Global Group is designed for two or more Global Medical Insurance® individual insured members.

Global Group Advantages

- All individual insured members can be combined onto one convenient bill
- Provides monthly, quarterly, semi-annual and annual payment options
- Allows members to be added or removed
- Each member can choose the best plan design (Bronze, Silver, Gold, or Platinum) and deductible option (\$100 - \$25,000) for his/her specific need
- Since Global Medical Insurance is an individual plan, each member has an option to keep his/her plan in-force even if he/she is no longer part of the sponsoring group
- Global Group creates an alternative to The Global Employer's OptionSM (GEOSM Group)

Guidelines for Completing the Global Group Administrator Form

1. In order to set up a Global Group, the group administrator must submit the following:
 - A completed Global Group Administrator Form
 - A Global Medical Insurance application* for each member that is applying, along with an Affidavit of Eligibility (if applicable)
2. Premium payment mode must be the same for all Global Group members.
3. Invoices will be sent on the 25th of every month to the sponsoring group and the producer. Premium must be received within 10 days of the receipt of the invoice.
4. New members can be added to an existing Global Group. Each new member will need to complete a Global Medical Insurance application*, an Affidavit of Eligibility (if applicable), along with the Global Group Administrator Form.
5. The group administrator should notify IMG of any member cancellations. IMG will send a premium notice to the member to allow him/her to continue coverage, subject to the receipt of the premium payment.
6. In case of a member cancellation, any premium refunds will be sent to the sponsoring group if the member has completed the Premium Refund Release section of the Cancellation Form. If IMG has not received this form, the group will be responsible for collecting any premium payment refund from the member.

**Global Medical Insurance online applications will not be accepted for a Global Group.*
