

IMG Travel Medical and Evacuation Protection

Humana

You have enough to worry about when you're traveling—don't let your medical coverage be an uncertainty. IMG Travel Medical and Evacuation Protection bridges the gap left by other limited domestic healthcare plans (including Medicare) that do not cover you outside the U.S.

The plans include coverage for:

- » Medical expenses
- » Emergency medical evacuations up to \$250,000
- » Political evacuations up to \$50,000
- » Non-emergency medical evacuations up to \$25,000

Available for single-trip and multi-trip protection, IMG Travel Medical and Evacuation Protection plans address the needs of U.S. citizens and U.S. permanent residents who need temporary emergency medical insurance while traveling outside the U.S.

Plan Options:

- » Single Trip: For travelers who need travel medical insurance coverage from 5 days up to 12 months while on a single trip
- » Multi-Trip: For travelers who prefer to purchase an annual plan to cover multiple trips throughout a 12-month period, with each trip covered up to a maximum of 30 or 45 days, depending on the plan option you choose.
 - Option to extend your multi-trip plan an additional 12 months for a total of 24 continuous months.
 - Option to add telehealth for non-emergency consultations and prescription needs outside of the U.S. Teladoc's board-certified providers are available 24/7 over the phone or through video. Additional costs apply.

IMG Travel Medical and Evacuation Protection offers even more excellent benefits and services to help meet your foreign travel insurance needs. You have access to:

- » Highly qualified coordinators of international emergency medical services and treatment, available 24/7
- » IMG's international, multilingual customer service representatives
- » In-house claims administrators who process claims filed from all over the world, handling virtually every language and currency.
- » Wide range of deductibles
- » Providers in over 190 countries and territories around the world
- » IMG Travel Intelligence through the IMG mobile app. Receive destination-specific alerts and find information meant to minimize potential travel risks.
- » IMG's Mobile App. Find a provider, review your plan documents, and manage your claims, all at your fingertips.
