

Out-patient Direct Settlement Service

As an IMG member you will be able to receive treatment at any one of the Hospitals or Clinics listed without the need to pay yourself for treatment covered under your policy.

MEMBER GUIDELINES

- For each new medical condition please make an appointment with the Hospital or Clinic.
- Please ensure you have your membership card, Certificate of Insurance and suitable ID when visiting the Hospital or Clinic.
- The Hospital or Clinic will provide primary care treatment up to £300/€300/\$300 based on plan currency.
- Any treatment over and above this limit will require pre-authorisation **+44 (0) 330 333 6686**. Alternatively contact us online at www.imglobal.com/intl/claims-centre or email GPMIPreauth@imglobal.com
- If your ALC Prima Plan (Platinum, Premier, and Classic) or Global Prima Medical Insurance (Platinum, Gold, Silver, and Bronze Plus) has a policy excess that has not been covered by treatment in your current policy year you will be required to pay any remaining policy excess amount to the Clinic or Hospital.
- Following your consultation you will be asked to complete a form by the Hospital or Clinic to confirm treatment has been received.
- Treatment received from these Hospitals or Clinics is subject to benefits provided under your IMG policy as detailed on your Certificate of Insurance and Policy Wording. You will be responsible for the cost of any treatment not covered under your policy with IMG and we will contact you to advise if this is the case.

Please note this service is not guaranteed. If one of the facilities listed below decline to offer this service, please call us on **+44 (0) 330 333 6686**. Alternatively contact us online at www.imglobal.com/intl/claims-centre. The option is still available to attend the appointment, pay for your treatment and then complete a claim form and submit it to us for settlement.
