Pursuing an education away from your home country is already stressful. We know your safety while studying abroad is important to you, so IMG's WorldStudy and WorldStudy Platinum Program has solutions designed to protect you and give you Global Peace of Mind.

PHYSICAL HEALTH

You can't plan when you get sick, and unfortunately, it can happen anytime and anywhere. Medical bills can be expensive, and IMG plans provide the cross-border medical coverage you need for unexpected medical care and routine visits.

FINANCIAL PROTECTION

Costs can add up while seeking medical treatment. However, access to IMG's international physician and provider networks and pharmacy discount programs can help you save on out-of-pocket medical expenses and prescription medications.

CRISIS SUPPORT

Navigating an emergency in a foreign country is never easy. That's why IMG offers a range of assistance benefits and services designed to support you in a crisis. A dedicated team of multilingual nurses, doctors, and case managers provide 24/7 assistance services to facilitate a response to urgent and emergency situations, such as evacuations or search and rescue missions.

MENTAL WELLNESS

Being away from your support system can be challenging. IMG provides access to mental health services, like virtual counseling, to help with the transition as you adapt to cultural differences, adjust to a change in job or education, and navigate new relationships while you're away from loved ones.

PERSONAL PROPERTY

There are some belongings you know you can't live without. IMG has you covered and can help assist you with lost or stolen travel documents like a passport or visa, and can reimburse costs if your essential items like luggage are lost, stolen, or damaged during your travels abroad.
