Sole and exclusive jurisdiction and venue for any action or proceeding of any kind relating to or arising from this insurance and/or the Terms and conditions of this

Certificate (including any amendment thereto) shall be in Marion County, Indiana, for which the Company and the Insured Person expressly consent. The subjects, risks and benefits of insurance covered by the Master Policy and evidenced by this Certificate are not intended or considered by the Insured Person or the Company (or the Plan Administrator) to be resident, located, or performed in any particular State of the United States. In any suit instituted by or against the Company or the Insured Person pursuant to the Terms of this provision, the Company and the Insured Person will abide by the final decision of such Indiana court or of any appellate court in the event of an appeal. Nothing in this provision constitutes or should be deemed, considered or understood to constitute a waiver of the Company's or the Insured Person's rights to: (i) oppose venue or jurisdiction in any forum other than the Circuit or Superior Courts of Marion County, Indiana, or the United States District Court for the Southern District of Indiana, Indianapolis Division (assuming that federal jurisdiction is otherwise appropriate and lawful), or (ii) remove an action to the United States District Court for the Southern District of Indiana, Indianapolis Division (assuming that federal jurisdiction is otherwise lawful and appropriate); all of which rights are expressly reserved and retained.

Subject to and without limiting, expanding, superseding, modifying or waiving any of the foregoing Terms contained in this provision pursuant to any statute of any State, territory or district of the United States which makes provision thereof, the Company hereby designates the Superintendent, Commissioner, or Director of Insurance (or such other officer specified for that purpose in the statute), or their successor or successors in office, as its true and lawful attorney, under a special power of attorney, upon whom may be served any lawful process issued in connection with the initiation of any action, suit or proceeding instituted by or on behalf of the Insured Person arising out of this insurance, including specifically the Commissioner of Insurance for the Indiana Department of Insurance, 311 West Washington Street, Suite 300, Indianapolis, IN 46204, and hereby designates and appoints John N. In the event that the Company is the prevailing party in any litigation, arbitration, or other proceeding of any kind relating to or arising from this insurance and/or the Terms and conditions of this Certificate (including any amendment thereto), regardless of the nature of the claim, the Company shall be awarded its reasonable attorney fees, and costs and expenses incurred in addition to any compensatory damages or other remedies in law or equity.

For Florida residents only: Any dispute, claim, or controversy of any kind, whether sounding in contract, tort, or otherwise, relating to or arising from this insurance and/or the Terms and conditions of this Certificate may be resolved by binding arbitration upon the request of the Company, the Assured, or the Insured Person. Any such arbitration shall be conducted in accordance with the procedures of the American Arbitration Association. Any such arbitration shall be held within fifty (50) miles of the Insured Person's residence, with the Company to pay costs and fees (not including any attorney fees) of the proceeding in excess of five hundred dollars (\$500.00).

- (7) **WAIVER OF ANY RIGHT TO JURY TRIAL:** THE COMPANY AND THE INSURED PERSON EACH KNOWINGLY, VOLUNTARILY, AND IRREVOCABLY WAIVE ANY RIGHT TO A TRIAL BY JURY FOR ANY CLAIM, DEMAND, ACTION, OR PROCEEDING OF ANY KIND, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, RELATING TO OR ARISING FROM: (I) THIS INSURANCE; AND/OR (II) THIS CERTIFICATE, INCLUDING ANY AMENDMENT THERETO. THE COMPANY AND THE INSURED PERSON EACH KNOWINGLY, VOLUNTARILY AND IRREVOCABLY AGREE THAT ANY SUCH CLAIM, DEMAND, ACTION, OR PROCEEDING SHALL BE EXCLUSIVELY PRESENTED TO AND DETERMINED SOLELY BY THE COURT AS THE TRIER OF FACT, AND NOT BEFORE A JURY. NO ATTEMPT SHALL BE MADE TO CONSOLIDATE, BY COUNTERCLAIM OR OTHERWISE, ANY ACTION OR PROCEEDING WITH ANY OTHER ACTION OR PROCEEDING IN WHICH THERE IS A TRIAL BY JURY OR IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THE COMPANY AND THE INSURED PERSON EACH AGREE THAT A COPY OF THIS PROVISION MAY BE FILED WITH ANY COURT AS WRITTEN EVIDENCE OF THE AGREEMENT OF THE WAIVER OF ANY RIGHT TO TRIAL BY JURY.
- (8) **ECONOMIC SANCTIONS:** The Company will not cover any person as an Insured Person if such cover would result in the Company being exposed to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws, or regulations of the European Union, United Kingdom or the United States of America.
- (9) **MISREPRESENTATION:** Any false representation, incomplete information, misleading statement, misstatement, omission, concealment or fraud, whether or not innocently made, either in the Insured Person's Application or in relation to any claim form, statement, certification or warranty made by the Insured Person or their representatives, agents or proxies, whether in writing or otherwise, to the Company or the Plan Administrator or their respective agents, employees or representatives, or in connection with the making of any claim under this insurance, shall render the Declaration and this Certificate null and void and all claims and benefits under this insurance shall be forfeited and waived.

(10) INSOLVENCY: The insolvency, bankruptcy, financial impairment, receivership, voluntary plan of arrangement with creditors or dissolution of the Assured or any Insured Person shall not impose upon the Company any liability or obligation other than that specifically included in this insurance.

(11) SUBROGATION CLAUSE: The Insured Person shall undertake to pursue in their own name and stead, and to fully cooperate with the Company in the pursuit and prosecution of, any and all valid claims that the Insured Person may have against any third party who may be liable or responsible for any loss or damage arising out of any act, omission or occurrence which results or may result in a loss payment, provision of benefits, or coverage of claim by the Company under this insurance, and to fully account to the Company for any amounts recovered or recoverable in connection therewith, on the basis that the Company shall be reimbursed and entitled to recover first in full for any sums paid or to be paid by it before the Insured Person shares in any amount so recovered, regardless of whether or not the Insured Person has been made whole or has been fully compensated for their injuries.

The Insured Person further agrees and understands that the Company requires the Insured Person to complete a subrogation questionnaire, sign an acknowledgment of the Company's subrogation rights and sign an agreement before the Company considers paying, or continues to pay, any claims. Should the Insured Person fail to so cooperate, account, or to prosecute any valid claims against any such third party or parties, and the Company thereupon or otherwise becomes liable or otherwise obligated to make payment under the Terms of this insurance, then the Company shall be fully subrogated to all rights and interests of the Insured Person with respect thereto and may prosecute such claims in its own name as subrogee.

The Insured Person's submission of Proof of Claim or acceptance of coverage or benefits under this insurance shall be deemed to constitute an authorization, consent and assignment of such subrogation rights by the Insured Person to the Company. The Insured Person agrees the Company has a secured proprietary interest in any settlement proceeds the Insured Person receives or may be entitled to receive.

The Insured Person understands and agrees the Company is entitled to a constructive trust interest in the proceeds of any settlement or recovery. The Insured Person agrees to include the Company as a co-payee on any settlement check or check from any third party or insurer. The Insured Person agrees he/she will not release any party or their insured without prior written approval from the Company and will take no action which prejudices the Company's rights.

The Insured Person is obligated to inform their legal representative of the Company's rights and lien and to make no distributions from any settlement or judgment which will in any way result in the Company receiving less than the full amount of its lien without the written approval of the Company. Any amount recovered by the Company in accordance with the foregoing shall first be used to pay in full the costs and expenses of collection incurred by the Company, including reasonable attorneys' fees, and for reimbursement to the Company for any amount that it may have paid or become liable to pay under this insurance. Any remaining amounts recovered shall be paid to the Insured Person or other persons lawfully entitled thereto, as applicable. In the event that the Insured Person receives any form or type of settlement and either fails or refuses to abide by the Terms of this insurance contract, in addition to any other remedies the Company may have, the Company retains a right of equitable offset against future claims.

(12) OTHER INSURANCE: The Company shall not be liable or obligated to provide any coverage or benefits or to pay or reimburse any claim under this insurance if there is any other insurance, membership benefit, workers' or workplace compensation coverage program or other government program, reimbursement or indemnification coverage, right of contribution, recoupment or recovery, contract, or any other third-party obligation or liability for provision of benefits ("Other Coverage") which would, or would but for the existence of this insurance, be available or obligated to provide such benefit or to pay or reimburse or provide indemnity for such claim, except in respect of any excess beyond the amount payable or provided under such Other Coverage had this insurance not been effected. Notwithstanding the foregoing, the Company shall not be liable or obligated to provide any benefit or to pay or reimburse any claim for any Insured Person in respect to Treatment or supplies furnished by any program or agency funded by any government or governmental authority.

The Company reserves the right to cancel any and all coverage if it is determined an Insured Person has Stacked Insurance.

(13) CANCELLATION BY INSURED PERSON: The Insured Person shall have fifteen (15) days from the Initial Effective Date of Coverage (the "Review Period") to review the benefits, conditions, limitations, exclusions and all other Terms of the Master Policy as evidenced and outlined by this Certificate. If not completely satisfied, the Insured Person may request cancellation of this insurance retroactive to the Initial Effective Date of Coverage by sending a written request to the Company by email, mail or fax so that it is received by the Company within the Review Period, thereby qualifying to receive a full refund of Premium paid. Upon effectuation of such cancellation and refund, neither the Company nor the Insured Person shall have any further rights, liabilities or obligations under this insurance.

After the Review Period, the Insured Person may request cancellation of the Declaration and this Certificate by giving the Company not less than five (5) days advance written request. Cancellation is at the sole option of the Company, except as provided in the CONDITIONS AND GENERAL PROVISIONS, RENEWAL; AMENDMENTS provision, and the Company may request and/or require the Insured Person to execute a release of claims as a condition to and/or in consideration of granting such cancellation. If the Company grants cancellation, coverage for the Insured Person under this insurance shall terminate with effect from the cancellation date specified by the Company. The Company shall calculate the amount of Premium earned upon the Declaration and Certificate through the requested date of cancellation (Short Rate Earned Premium) in accordance with the Short Rate Cancellation Table in effect as of the date of the request for cancellation. If the Insured Person has paid more than the Short Rate Earned Premium, the Company shall refund the difference between the amount actually paid and the Short Rate Earned Premium. If the Insured Person has paid less than the Short Rate

Earned Premium, the Insured Person shall remit to the Company the difference between the Short Rate Earned Premium and the amount actually paid as a condition to cancellation as of such requested date, or the cancellation date will be established retroactive to the date through which and for which Premiums have actually been paid.

- (15) **COOPERATION:** The Insured Person and their Physicians, Hospitals and other healthcare and medical service providers and suppliers shall undertake to cooperate fully with the Company and the Plan Administrator in reviewing, investigating, adjudicating, considering an appeal of, and/or administering any claim for benefits under this insurance, including granting full right of access to all relevant, pertinent or related records, medical documentation, medical histories, reports, laboratory or test results, x-rays, and all other available evidence relating to or affecting the review, investigation, adjudication or administration of the claim. The Company at its own expense shall have the right and opportunity to examine all evidence related to a claim when and as often as it may reasonably require during the pendency of a claim hereunder. The Company at its option may suspend or pend adjudication of a claim and/or may deny benefits and/or coverage for a claim when any of the following has occurred:
- (a) a refusal to so cooperate
 - (b) an unreasonable delay in such cooperation
 - (c) any other act or omission on the part of the Insured Person and/or their healthcare providers which hinders, delays, impairs or otherwise prejudices the performance of the Company's obligations under this insurance
- (16) **CLAIM SETTLEMENT:** Eligible and covered claims for Eligible Medical Expenses or other benefits under this insurance that have previously been paid by or on behalf of the Insured Person at the time of the Company's favorable adjudication thereof will be reimbursed by the Company directly to the Insured Person, by check, at their last known residence or mailing address. While this insurance is in effect, in order to effectuate proper administration, the Insured Person shall undertake to promptly notify the Company of any change in such addresses. Eligible and covered claims for Eligible Medical Expenses or other benefits under this insurance that have not been paid by or on behalf of the Insured Person at the time of adjudication will be paid by the Company by check or electronic funds transfer to the Insured Person at their last known residence or mailing address, or, at the sole option and discretion of the Company (but without obligation to do so), and as an accommodation to the Insured Person, directly to the provider(s), as applicable. All claim settlements, payments and reimbursements are subject to the insurance plan shown in the Declaration and all other Terms of this insurance. No healthcare or medical service provider or supplier, or any other third-party, shall have any direct or indirect interest, claim or right of action against the Company under this Certificate, the Declaration or the Master Policy, whether by purported assignment of benefits, subrogation of interests or otherwise, unless first expressly agreed and consented to in writing by the Company, and notwithstanding the Company's exercise or failure to exercise any option or discretion under this provision regarding the method of claim payment. No such provider, supplier or other third-party is intended to have or shall have any rights as a third-party beneficiary under this Certificate, the Declaration, or the Master Policy.
- (17) **FRAUDULENT CLAIMS:** A person who knowingly and with intent to defraud the Company files a statement of claim containing any false, incomplete, or misleading information commits a felony. If any claim or request for benefits under this insurance shall knowingly be in any respect false, incomplete, misleading, concealing, fraudulent or deceitful, or if the Insured Person or anyone acting for or on their behalf under this insurance knowingly uses any false, incomplete, misleading, concealing, fraudulent or deceitful statements regarding the Insured Person, the insurance contract and all coverage thereunder may be cancelled, voided, rescinded and terminated by the Company in its sole and absolute discretion, and the Company shall have no obligation or liability for any such benefits, coverage or claims.
- (18) **ARBITRATION:** With the exception of Florida residents' option to refer to arbitration, no claim for benefits for which liability, eligibility, or coverage under this insurance has been denied in whole or in part by the Company nor any other dispute or controversy arising under or related to this insurance shall be arbitrable or subject to arbitration under any circumstances or for any reason.
- (19) **TERMINATION OF MASTER POLICY:** The Master Policy can be terminated at any time by either the Company or the Assured by giving at least thirty (30) days written notice to the other and to the Insured Person. Such termination will have no effect on this Certificate prior to the date of the termination or on eligible coverage or benefits under this insurance accrued prior thereto. No additional Certificates will be issued or further Applications accepted for the plan after the date the Master Policy is terminated.
- (20) **TERMINATION OF COVERAGE FOR INSURED PERSONS:** Coverage and benefits for the Insured Person under this insurance will terminate effective at 12:01 AM EST on the earliest of the following dates:
- (a) the next day following the end of the coverage period for which Premium has been fully and timely paid
 - (b) the termination date as shown on the Declaration for this Certificate
 - (c) the date the Master Policy is terminated pursuant to the CONDITIONS AND GENERAL PROVISIONS, TERMINATION OF MASTER POLICY provision
 - (d) the date the Insured Person becomes a resident alien under IRS regulations or first fails to meet or no longer meets the eligibility requirements for this insurance as set forth in the Master Policy and outlined in this Certificate

- (e) the 30th day after the Effective Date of this Certificate, if the Insured Person is not a citizen of the United States but is located in the United States at the time of Application and has not departed the United States prior to such 30th day, unless the Insured Person is not eligible for any other medical insurance plan which is available to individuals similarly situated and located in the United States and has provided the Company an Affidavit of Eligibility
- (f) the date the Company, at its sole option, elects to cancel from this plan all Insured Persons of the same sex, age, class or geographic location as the Insured Person, provided the Company gives no less than thirty (30) days advance written notice by mail to the Insured Person's last known residence or mailing address of its intent to exercise such option
- (g) the cancellation date specified by the Company pursuant to the CONDITIONS AND GENERAL PROVISIONS, CANCELLATION BY INSURED PERSON provision
- (h) the cancellation date specified by the Insured Person pursuant to the CONDITIONS AND GENERAL PROVISIONS, RENEWAL; AMENDMENTS provision
- (i) the date specified by the Company in any notice of cancellation, forfeiture or rescission issued pursuant to or as a result of the circumstances described in the MISREPRESENTATION, FRAUDULENT CLAIMS and RIGHT OF RECOVERY subparagraphs of the CONDITIONS AND GENERAL PROVISIONS, or as otherwise permitted by the Terms of this insurance.

Coverage for the Insured Person shall remain in full force and effect unless terminated pursuant to this provision, except as otherwise provided in the Master Policy, the Declaration, or this Certificate.

(21) RENEWAL; AMENDMENTS: Subject to the Terms of the TERMINATION OF MASTER POLICY, TERMINATION OF COVERAGE FOR INSURED PERSONS, and REINSTATEMENT OF COVERAGE FOR INSURED PERSONS subparagraphs of the CONDITIONS AND GENERAL PROVISIONS, coverage under the insurance plan will be automatically renewed on each anniversary of the Insured Person's first day of coverage for an additional duration identical to the original Period of Coverage or twelve (12) months, whichever is shorter. Renewal is subject to the Terms of the plan then in effect (including the Terms of the then applicable Master Policy) and so long as renewal Premium is paid when due or within the allowable grace period and the Insured Person otherwise continues to meet the applicable eligibility requirements of the plan. Coverage under the insurance plan will not automatically renew if and only if:

- (a) the Company provides a written notice to the Insured Person at least thirty (30) days prior to the expiration date of the then existing Period of Coverage; or
- (b) the Insured Person has cancelled the policy in accordance with the CONDITIONS AND GENERAL PROVISIONS, CANCELLATION BY INSURED PERSON provision.

The Company reserves the right in its sole discretion to make changes, additions and/or deletions to the Terms of the Master Policy, this Certificate, renewals or replacements of either, and/or to the insurance plan (including the issuance of Riders to effectuate same) at any time or from time to time after the Effective Date of Coverage of this Certificate, upon no less than thirty (30) days prior written notice to the Assured and the Insured Person ("Notice of Amendment"). The Notice of Amendment shall include a complete description of the changes, additions and/or deletions to be made, the effective date thereof (the "Change Date"), and notice of the Insured Person's cancellation rights as set forth below, and shall be sent electronically or first class mail, postage prepaid, to the last known residence or mailing address of the Insured Person. Upon issuance of the Notice of Amendment, the Assured and/or the Insured Person shall have the right to request cancellation of this Certificate above, at any time prior to the Change Date; provided, however that cancellation under this provision shall be at the option of the Insured Person, and coverage under this insurance shall terminate with effect from the cancellation date specified by the Insured Person (subject to the provisions of the CONDITIONS AND GENERAL PROVISIONS, TERMINATION OF COVERAGE FOR INSURED PERSONS). If the Insured Person does not elect to cancel this Certificate in accordance with the foregoing, the changes, additions and/or deletions as made by the Company and specified in said Notice of Amendment shall take effect as of the Change Date specified in the Company's Notice, and this insurance shall thereafter continue in effect in accordance with its Terms, as so amended and modified.

(22) REINSTATEMENT OF COVERAGE FOR INSURED PERSONS: In the event coverage under this insurance lapses or is terminated in accordance with the PREMIUM and/or TERMINATION OF COVERAGE FOR INSURED PERSONS subparagraphs of the CONDITIONS AND GENERAL PROVISIONS for failure to pay Premium, the Insured Person may apply to the Company for reinstatement ("Reinstatement"). Reinstatement is at the sole option of the Company, and shall be subject to the Company's retained right, without obligation or liability of any kind, to reassess and make determination of acceptable risk in its sole and absolute discretion. In order to be considered for Reinstatement, the Insured Person must submit all of the following to the Company:

- (a) a written request for Reinstatement
- (b) a newly completed Reinstatement Application, which shall become a part of the Master Policy and any reinstated Certificate
- (c) a written statement giving full details, as requested by the Company, of any claims incurred, diagnoses made, manifestations of symptoms or health conditions experienced, and/or Treatment or supplies received by the Insured Person since the Initial Effective Date under this insurance plan
- (d) a written statement giving full details of the reason for the previous failure to pay Premium when due
- (e) payment of all Premium due.

If the Company grants Reinstatement, it will promptly notify the Insured Person, and Reinstatement shall be effective as of 12:01 AM, EST, on the date stated in the notice. If the Company does not grant Reinstatement, the Company's sole obligation and liability shall be to return any paid and unearned Premium to the Insured Person.

(23) REINSTATEMENT OF MAXIMUM LIMIT: After each Period of Insurance, the Company will reinstate up to \$5,000 of the Maximum Limit for the next Period of Insurance for the Insured Person. This does not apply to any Pre-existing Conditions limits, and such reinstatement will not apply where coverage for the Insured Person has lapsed or terminated. In no event shall the Maximum Limit exceed \$250,000 in all, in any one (1) Period of Insurance.

(24) PATIENT ADVOCACY: Neither the Company nor the Plan Administrator shall have any right, obligation, or authority of any kind to ultimately select Physicians, Hospitals, or other healthcare or health service providers for the Insured Person or to make any medical Treatment decisions for or on behalf of the Insured Person, and all such decisions shall be made solely and exclusively by the Insured Person and/or their guardians, Relatives, Treating Physicians and other healthcare providers. Subject to the foregoing, the Company may determine that a particular claim, benefit, Treatment or diagnosis occurring under or relating to this insurance may be placed under the Company's "Patient Advocacy" program to ensure that Medically Necessary Treatment and supplies are provided in the most cost-effective manner. In the event the Company determines that a claim, benefit, Treatment, or diagnosis meets the Company's Patient Advocacy program guidelines, the Company will notify the Insured Person as soon as reasonably practicable, and a Patient Advocate will be assigned to the Insured Person. Thereafter, the Company's Patient Advocate may make evaluations and/or recommendations of Treatment settings, procedures and/or supplies that may be more cost effective for the Company and/or the Insured Person. Such recommendations will be made with input from the Insured Person and/or the Insured Person's guardians, Relatives, Treating Physicians and/or other healthcare providers, and will be made only when it can be reasonably demonstrated that the Medically Necessary Treatment and/or supplies can be provided in a more cost-effective manner to the Company and/or the Insured Person. The Company will use its best efforts to evaluate and recommend Treatment settings and/or procedures and/or supplies that can reasonably be expected to result in the same or better care of the Insured Person. The Insured Person is under no obligation to accept or follow any of the Company's recommendations. However, if the Insured Person accepts and follows any of the Company's recommendations, the Insured Person agrees to hold the Company and the Company's agents and representatives, including the Patient Advocate, harmless from same, and the Company shall not be held liable or otherwise responsible for any Treatment or supply provided to the Insured Person except for the payment of claims and benefits eligible for coverage under the Terms of this insurance. After the Insured Person has been notified that the claim, Treatment, benefit or diagnosis meets the Company's Patient Advocacy program guidelines, the Company reserves the right, at its option and in its sole discretion without liability:

- (a) to make payment for Treatment and/or supplies which, although not expressly covered under this insurance, may be beneficial to the Insured Person and cost effective to the Company; and/or
- (b) to deny coverage and/or benefits for any Charges, including Eligible Medical Expenses otherwise eligible for coverage but for the Terms of this provision, which exceed the amount the Company would have covered had the Insured Person accepted and followed the recommendations of the Patient Advocacy program.

(25) RIGHT OF RECOVERY: In the event of overpayment by the Company of any claim for benefits under this insurance, for any reason, including without limitation because of any of the following:

- (a) all or part of the claim was not incurred by or paid by or on behalf of the Insured Person
- (b) the Insured Person or any of the Insured Person's Relatives, whether or not the Relative is or was an Insured Person under this insurance plan, is repaid or is entitled to be repaid for all or part of the claim in accordance with the CONDITIONS AND GENERAL PROVISIONS, OTHER INSURANCE provision, for defective equipment or medical devices covered under a warranty, or by or from a source other than the Company
- (c) all or part of the claim was not eligible for payment or coverage under the Terms of this insurance
- (d) all or part of the claim was paid or reimbursed based on an incorrect or mistaken application of benefits under this insurance
- (e) all or part of the claim has been excused, waived, abandoned, forfeited, discounted or released by the provider
- (f) the Insured Person is not liable or responsible as a matter of law for all or part of a claim.

The Company shall have the right to receive a refund and to recover the amount of overpayment from the Insured Person and/or the Hospital, Physician and/or other provider of services or supplies (as the case may be). The amount of the refund and recovery for overpayment of claims shall be the difference between: the amount actually paid by the Company; and the amount, if any, that should have been paid by the Company under the Terms of this insurance.

For all other overpayments, the amount of the refund and recovery shall be the amount overpaid.

If the Insured Person, Hospital, Physician, or other provider of services or supplies does not promptly make any such refund to the Company, the Company may, in addition to any other rights or remedies available to it (all of which are reserved):

- (i) reduce or deduct from the amount of any future claim that is otherwise eligible for coverage or payment under this insurance, to the full extent of the refund due to the Company; and/or
- (ii) cancel this Certificate and all further coverage of the Insured Person under the Master Policy by giving thirty (30) days advance written notice by mail to the Insured Person at their last known residence or mailing address,

and offset against the amount of any refund of Premium due the Insured Person to the full extent of the refund due to the Company.

(26) EXPLANATION OR VERIFICATION OF BENEFITS: In the event of any verbal or telephone inquiry, every attempt will be made to help the Insured Person and their healthcare providers and suppliers understand the status, scope and extent of available benefits and coverage under this insurance; provided, however, that no statement made by any agent, employee or representative of the Company or the Plan Administrator will be deemed or construed as an actionable representation, promise, or an estoppel, or will create any liability against the Company or the Plan Administrator or be deemed or construed to bind the Company or to modify, replace, waive, extend or amend any of the Terms of the Master Policy or this Certificate, unless expressly set forth in writing and signed by an authorized agent or representative of the Company. Actual eligibility determinations, benefit verifications, final coverage decisions, claim adjudications, final payments, reimbursements of benefits, or claims shall be determined and adjudicated only after or at the time a proper and complete Application and/or Proof of Claim is submitted (as the case may be), an opportunity for reasonable investigation and/or review is provided, cooperation required hereunder received, and all facts and supporting information, including relevant data, information and medical records when deemed necessary or appropriate by the Company, are presented in writing. Appealed claims may be further investigated and/or reviewed. The Terms of the Master Policy govern all available coverage and payments made or to be made. If a definite answer to a specific benefits or coverage question is required for any reason, the Insured Person or their healthcare providers may submit a written request to the Company, including all pertinent medical information and a statement from the attending Physician (if applicable), and a written reply will be sent by the Company and kept on file. If the Company elects to verify generally and/or preliminarily to a provider or the Insured Person that an Injury, Illness, diagnosis or proposed Treatment is or may be covered under this insurance, or that benefits for same are or may be available as outlined in this Certificate, any such verification of benefits does not guaranty either payment of benefits or the amount or eligibility of benefits. Final eligibility determinations, coverage decisions, claim appeals, and actual reimbursement or payment of claims or benefits are subject to all Terms of this insurance, including without limitation filing a proper and complete Proof of Claim and complying with the CONDITIONS AND GENERAL PROVISIONS, COOPERATION provision.

D. ELIGIBILITY: If an Insured Person is not eligible, this Certificate is void *ab initio* and all Premium paid will be refunded. In order to be eligible and qualified for coverage under this insurance, a person must meet all of the following requirements:

- (2) have had continuous coverage under a Global Medical Insurance, Global Crew Medical or Global Mission Medical plan since prior to their 65th birthday
- (3) complete, sign and return to the Company a Global Senior Plan Conversion Form no later than thirty (30) days following their 75th birthday
- (4) pay the required Premium on or before the Effective Date of Coverage
- (5) United States citizens: must be residing outside of the United States as of the Effective Date (or renewal date) and plan to reside outside of the United States for at least six (6) of the next twelve (12) months thereafter
- (6) Non-United States citizens:

 - (b) must plan to reside outside of the United States continuously for at least six (6) months during the Period of Coverage with required departure from the United States not more than thirty (30) days after the Initial Effective Date or renewal Effective Date; or
 - (c) if located inside the United States at the time of Application (or renewal), must not be eligible for any other medical insurance plan which is available to individuals similarly situated and located in the United States and must provide the Company an Affidavit of Eligibility.

With regards to the foregoing reference, "continuous coverage" means continuous unbroken coverage under the Global Medical Insurance, Global Crew Medical or Global Mission Medical plan.

E. PRE-CERTIFICATION REQUIREMENTS: Pre-certification is a general determination of Medical Necessity only, and all such determinations are made by the Company (acting through its authorized agents and representatives) in reliance and based upon the completeness and accuracy of the information provided by the Insured Person and/or their Relatives, guardians and/or healthcare providers at the time of Pre-certification. The Company reserves the right to challenge, dispute and/or revoke a prior determination of Medical Necessity based upon subsequent information obtained. Pre-certification is not an assurance, authorization, preauthorization, or verification of Treatment or coverage, a verification of benefits, or a guarantee of payment. The fact that Treatment or supplies are Pre-certified by the Company does not guarantee the payment of benefits, the availability of coverage, or the amount of or eligibility for benefits. The Company's consideration and determination of a Pre-certification request, as well as any subsequent review or adjudication of all medical claims submitted in connection therewith, shall remain subject to all of the Terms of this insurance, including exclusions for Pre-existing Conditions and other designated exclusions, benefit limitations and sub-limitations, and the requirement that claims be Usual, Reasonable and Customary. Any consideration or determination of a Pre-certification request shall not be deemed or considered as the Company's approval, authorization or ratification of, recommendation for, or consent to any diagnosis or proposed course of Treatment. Neither the Company nor the Plan Administrator (nor anyone acting on their respective behaves) has any authority or obligation to select Physicians, Hospitals, or other healthcare providers for the

Insured Person, or to make any diagnosis or medical Treatment decisions on behalf of the Insured Person, and all such decisions must be made solely and exclusively by the Insured Person and/or their family members or guardians, Treating Physicians and other healthcare providers. If the Insured Person and their healthcare providers comply with the Pre-certification requirements of the Master Policy and this Certificate, and the Treatment or supplies are Pre-certified as Medically Necessary, the Company will reimburse the Insured Person for Eligible Medical Expenses up to the amount shown in the BENEFIT SUMMARY incurred in relation thereto, subject to all Terms of this insurance. F. UNITED STATES PREFERRED PROVIDER ORGANIZATION (PPO):

- (1) **SPECIAL BENEFITS:** If Treatment or supplies eligible for coverage under this insurance are received directly from the Company's approved list of independent Preferred Provider Organization (PPO) providers while the Insured Person is in the United States, the Company will adjust the Deductible and/or Coinsurance applicable to such claims according to the amount shown in the BENEFIT SUMMARY. However, all claims for Treatment or supplies received in the United States from a non-PPO provider will remain subject to the applicable Deductible and Coinsurance, whether or not the Insured Person may be eligible for the foregoing special benefit relating to Treatment or supplies received from PPO providers.
- (2) **PPO INFORMATION:** The Company, through the Plan Administrator, endeavors to maintain a contractual arrangement with one (1) or more independent Preferred Provider Organizations (PPO) that has established and maintains a network of United States-based Physicians, Hospitals and other healthcare and health service providers who are contracted separately and directly with the PPO and who may provide re-pricings, discounts or reduced Charges for Treatment or supplies provided to the Insured Person. Neither the Company nor the Plan Administrator has any authority or control over the operations or business of the PPO, or over the operations or business of any provider within the independent PPO network. Neither the PPO nor provider within the PPO network, nor any of their respective agents, employees or representatives has or shall have any power or authority whatsoever to act for or on behalf of the Company or the Plan Administrator in any respect, including without limitation no power or authority to perform any of the following:
- (a) approve Applications or enrollments for initial, renewal or reinstated coverage under this insurance plan or to accept Premium payments
 - (b) accept risks for or on behalf of the Company
 - (c) act for, speak for or bind the Company or the Plan Administrator in any way
 - (d) waive, alter or amend any of the Terms of the Master Policy or this Certificate, or waive, release, compromise or settle any of the Company's rights, remedies or interests thereunder or hereunder
 - (e) determine Pre-certification, coverage eligibility or verification of benefits, or make any coverage, benefit or claim adjudications or decisions of any kind

It is not a requirement of this insurance that the Insured Person seek Treatment or supplies exclusively from a provider within the independent PPO network. However, the Insured Person's use or non-use of the PPO network may affect the scope and extent of benefits available under this insurance, including without limitation any applicable Deductible, Coinsurance and benefit reduction, as set forth above.

An Insured Person may contact the Company through the Plan Administrator and request a PPO directory for the area where the Insured Person will be receiving consultation or Treatment (therein listing the Physicians, Hospitals and other healthcare providers within the PPO network by location and specialty), or an Insured Person may visit the Plan Administrator's website at www.imglobal.com/member to obtain such information.

- G. SECOND SURGICAL OPINION:** Except in the case of an Emergency, if a Physician recommends a Surgery or Covered Transplant, the Company may require, as a condition to becoming eligible for benefits under this insurance, that the Insured Person consult with another independent Physician for a second opinion as to the Medical Necessity of the Surgery ("Second Surgical Opinion").

The Insured Person must notify the Company immediately in the event a non-emergency Surgery or Covered Transplant is recommended by a Physician. The Company will promptly advise the Insured Person whether or not it will require a second opinion. Upon receipt of a second opinion that differs from the recommending Physician, the Company will promptly advise the Insured Person whether or not it will require a third opinion.

- (1) The Company will notify the Insured Person if a Second Surgical Opinion is required as soon as is reasonably possible after the Insured Person Pre-certifies such Surgery in accordance with the PRE-CERTIFICATION REQUIREMENTS set forth in this Certificate.
- (2) The Physician providing the second opinion must meet all of the following criteria:

- (a) not be a Relative of the Insured Person or the first recommending Physician
- (b) not be financially or professionally or in any other way associated with the first recommending Physician
- (c) provide the Company with a written opinion and any and all documents and records reasonably requested by the Company in support of such opinion.

If the Company does not require a second opinion, the Company will reimburse the Insured Person for Eligible Medical Expenses incurred in accordance with the Terms of this insurance.

If the second opinion is required by the Company, the Company will reimburse the Insured Person for Eligible Medical Expenses incurred for the consultation, including any required diagnostic tests or procedures which were not carried out by the first recommending Physician, without application of any Deductible or Coinsurance. If the second opinion concurs with the recommending Physician, then the Company will reimburse the Insured Person for Eligible Medical Expenses in accordance with the Terms of this insurance.

If the second opinion differs from the recommending Physician, the Insured Person may be required to consult with another Physician for a third opinion as to the Medical Necessity of the Surgery. The third Physician must also meet the requirements of subparagraphs (a) through (c) immediately above.

If the third opinion is required by the Company, the Company will reimburse the Insured Person for Eligible Medical Expenses incurred for the consultation, including any required diagnostic tests or procedures which were not carried out by the first or second Physicians, without application of any Deductible or Coinsurance.

If the Insured Person is requested or required to obtain a second or third opinion and does not, all benefits otherwise available under this insurance for reimbursement of Eligible Medical Expenses that are directly or indirectly related to or arise as a consequence of the Surgery shall be reduced by fifty percent (50%).

If the Insured Person obtains three (3) opinions, the Company will reimburse the Insured Person for Eligible Medical Expenses incurred in accordance with the Terms of this insurance based on the concurring recommendations of two (2) of the three (3) Physicians' opinions. If the Insured Person elects not to follow the recommendations of the two (2) concurring Physicians, all benefits otherwise available under this insurance for reimbursement of Eligible Medical Expenses which are directly or indirectly related to or arise as a consequence of the Surgery, or which are directly or indirectly related to or arise as a consequence of the Insured Person's refusal to undergo the recommended Surgery, shall be reduced by fifty percent (50%).
