THE UNITED STATES FIRE INSURANCE COMPANY
Administrative Office: 5 Christopher Way, Eatontown, New Jersey 07724

**NEW YORK
EXTERNAL APPEAL**

YOUR RIGHT TO AN EXTERNAL APPEAL

Under certain circumstances, you have a right to an external appeal of a denial of coverage. Specifically, if we have denied coverage on the basis that the service is not medically necessary or is an experimental or investigational treatment, you or your representative may appeal that decision to an external appeal agent, an independent entity certified by the State of New York to conduct such appeals.

YOUR RIGHT TO APPEAL A DETERMINATION THAT A SERVICE IS NOT MEDICALLY NECESSARY

If we have denied coverage on the basis that the service is not medically necessary, you may appeal to an external appeal agent if you satisfy the following two criteria:

The service, procedure, or treatment must otherwise be a Covered Service under the Certificate; and

You must have received a final adverse determination through the first level of our internal appeal process and we must have upheld the denial **or** we and you must agree to waive any internal appeal.

YOUR RIGHT TO APPEAL A DETERMINATION THAT A SERVICE IS EXPERIMENTAL OR INVESTIGATIONAL

If you have been denied coverage on the basis that the service is an experimental or investigational treatment, you must satisfy the following two criteria:

The service must otherwise be a Covered Service under the Certificate; and You must have received a final adverse determination through the first level of our internal appeal process and we must have upheld the denial **or** we and you must agree in writing to waive any internal appeal.

In addition, your attending physician must certify that you have a life-threatening or disabling condition or disease. A "life-threatening condition or disease" is one that, according to the current diagnosis of your attending physician, has a high probability of death. A "disabling condition or disease" is any medically determinable physical or mental impairment that can be expected to result in death, or that has lasted or can be expected to last for a continuous period of not less than twelve (12) months, which renders you unable to engage in any substantial gainful activities. In the case of a child under the age of eighteen, a "disabling condition or disease" is any medically determinable physical or mental impairment of comparable severity.

Your attending physician must also certify that your life-threatening or disabling condition or disease is one for which standard health services are ineffective or medically inappropriate **or** one for which there does not exist a more beneficial standard service or procedure covered under the Certificate or one for which there exists a clinical trial (as defined by law).

In addition, your attending physician must have recommended one of the following:

A service, procedure or treatment that two documents from available medical and scientific evidence indicate is likely to be more beneficial to you than any standard covered service (only certain documents will be considered in support of this recommendation – your attending physician should contact the State of New York in order to obtain current information as to what documents will be considered or acceptable); or A clinical trial for which you are eligible (only certain clinical trials can be considered).

For purposes of this section, your attending physician must be a licensed, board-certified or board eligible physician qualified to practice in the area appropriate to treat your life-threatening or disabling condition or disease.

THE EXTERNAL APPEAL PROCESS

If, through the first level of our internal appeal process, you have received a final adverse determination upholding a denial of coverage on the basis that the service is not medically necessary or is an experimental or investigational treatment, you have forty-five (45) days from receipt of such notice to file a written request for an external appeal. If you and we have agreed in writing to waive any internal appeal, you have forty-five (45) days from receipt of such waiver to file a written request for an external appeal. We will provide an external appeal application with the final adverse determination issued through the first level of our internal appeal process or its written waiver of an internal appeal.

You may also request an external appeal application from the New York State Insurance Department at 1-800-400-8882. Submit the completed application to the Insurance Department at the address indicated on the application.

If you satisfy the criteria for an external appeal, the State will forward the request to a certified external appeal agent. You will have an opportunity to submit additional documentation with your request. If the external appeal agent determines that the information you submit represents a material change from the information on which we based our denial, the external appeal agent will share this information with us in order for to exercise our right to reconsider its decision. If we choose to exercise this right, we will have three (3) business days to amend or confirm our decision. Please note that in the case of an expedited appeal (described below), we do have a right to reconsider our decision.

In general, the external appeal agent must make a decision within thirty (30) days of receipt of your completed application. The external appeal agent may request additional information from you, your physician, or from us. If the external appeal agent requests additional information, it will have five (5) additional business days to make its decision. The external appeal agent must notify you in writing of its decision within two (2) business days.

If your attending physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to your health, you may request an expedited external appeal. In that case, the external appeal agent must make a decision within three (3) days of receipt of your completed application. Immediately after reaching a decision, the external appeal agent must try to notify you and us by telephone or facsimile of that decision. The external appeal agent must also notify you in writing of its decision.

If the external appeal agent overturns our decision that a service is not medically necessary or approves coverage of an experimental or investigational treatment, we will provide coverage subject to the other terms and conditions of the Certificate. Please note that if the external appeal agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, we will only cover the costs of services required to provide treatment to you according to the design of the trial. We shall not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing research, or costs which would not be covered under this subscriber contract for non-experimental or non-investigational treatments provided in such clinical trial.

The external appeal agent's decision is binding on both you and us. The external appeal agent's decision is admissible in any court proceeding.

At our option, we may choose to charge you a fee of fifty dollars (\$50) for an external appeal. The external appeal application will instruct you on the manner in which you must submit the fee. We will waive the fee if we determine that paying the fee would pose a hardship to you. If the external appeal agent overturns the denial of coverage, the fee will be refunded to you.

YOUR RESPONSIBILITIES

It is your RESPONSIBILITY to initiate the external appeal process. You may initiate the external appeal process by filing a completed application with the New York State Insurance Department. You may appoint a representative to assist you with your external appeal request, however, the Insurance Department may contact you and request that you confirm in writing that you have appointed such representative.

Under New York State law, your completed request for appeal must be filed within forty-five (45) days of either the date upon which you receive written notification from the Plan that it has upheld a denial of coverage or the date upon which you receive a written waiver of any internal appeal. The Plan has no authority to grant an extension of this deadline.

COVERED SERVICES/EXCLUSIONS

In general, we do not cover experimental or investigational treatments. However, we will cover an experimental or investigational treatment approved by an external appeal agent in accordance with the terms of the Certificate. If the external appeal agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, we will only cover the costs of services required to provide treatment to you according to the design of the trial. We shall not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing research, or costs that would not be covered under the Certificate for non-experimental or non-investigational treatments provided in such clinical trial.
