SECTION V. GENERAL PROVISIONS

Notice of Claim: Notice of claim must be reported within twenty (20) days after a loss occurs or as soon as is reasonably possible. An Insured or someone on an Insured's behalf may give the notice. The notice should be given to the Company or designated representative and should include sufficient information to identify the Insured.

Claim Forms: When notice of claim is received by the Company or designated representative, forms for filing proof of loss will be furnished. If these forms are not sent within fifteen (15) days, the proof of loss requirements can be met by sending a written statement of what happened. This statement must be received within the time given for filing proof of loss.

Proof of Loss: Proof of loss must be provided within ninety (90) days after the date of the loss or as soon as is reasonably possible. Proof must, however, be furnished no later than twelve (12) months from the time it is otherwise required, except in the absence of legal capacity.

Time of Payment of Claims: The Company, or its designated representative, will pay the claim after receipt of acceptable proof of loss.

Payment of Claims: Benefits for loss of life are payable to the Principal Insured, who is the beneficiary for all other Insureds. If: (a) the Principal Insured predeceases an Insured: and (b) a beneficiary is not otherwise designated by the Principal Insured benefits for loss of life will be paid to the first of the following surviving preference beneficiaries:

(a) the Principal Insured's spouse;

(b) the Principal Insured's child or children jointly;

(c) an Insured's parents jointly if both are living or the surviving parent if only one (1) survives;

(d) an Insured's brothers and sisters jointly; or

(e) the Principal Insured's estate.

All or a portion of all other benefits provided by the Policy may, at the option of the Company, be paid directly to the provider of the service(s). All benefits not paid to the provider will be paid to the Principal Insured.

Other than for loss of life, if any benefit is payable to: (a) an Insured or the Principal Insured's beneficiary who is minor or otherwise not able to give a valid release: or (b) the Principal Insured's estate: the Company may pay up to one thousand dollars ($1,000) to the Principal Insured's beneficiary or any relative to whom the Company finds entitled to the payment. Any payment made in good faith shall fully discharge the Company to the extent of such payment.

Physician Examination and Autopsy: The Company, at the expense of the Company, may have an Insured examined when and as often as is reasonable while the claim is pending. The Company may have an autopsy done (at the expense of the Company) where it is not forbidden by law.

Legal Actions: No legal action for a claim can be brought against us until sixty (60) days after we receive proof of loss. No legal action for a claim can be brought against us more than three (3) years after the time required for giving proof of loss. This three (3) year time period is extended from the date proof of loss is filed and the date the claim is denied in whole or in part.

Concealment and Misrepresentation: The entire coverage will be void, if before, during or after a loss, any material fact or circumstance relating to this insurance has been concealed or misrepresented.

Other Insurance with the Company: An Insured may be covered under only one travel policy with the Company for each Covered Trip. If an Insured is covered under more than one such policy, he or she may select the coverage that is to remain in effect. In the event of death, the selection will be made by the beneficiary or estate. Premiums paid (less claims paid) will be refunded for the duplicate coverage that does not remain in effect.

Subrogation: If the Company has made a payment for a loss under this coverage, and the person to or for whom payment was made has a right to recover damages from the Third Party responsible for the loss, the Company will be subrogated to that right. An Insured shall help the Company exercise the Company's rights in any reasonable way that the Company may request: nor do anything after the loss to prejudice the Company's rights: and in the event an Insured recovers damages from the Third Party responsible for the loss, the Insured will hold the proceeds of the recover for the Company in trust and reimburse the Company to the extent of the Company's previous payment for the loss.

Additional Claims Provisions Specific to Baggage: Insured's Duties After Loss of or Damage to Property or Delay of Baggage: In case of loss, theft, damage or delay of baggage or personal effects, and Insured must:

(a) take all reasonable steps to protect, save or recover the property:

(d) provide to the Company, within ninety (90) days from the date of loss, a detailed proof of loss signed and sworn to: and

(e) be examined, if requested.

Reductions in the Amount of Insurance: The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid for any loss or damage under this coverage for this Covered Trip.

SECTION VI. COORDINATION OF BENEFITS

Applicability

The Coordination of Benefits ("COB") provision applies to This Plan when an Insured has health care coverage under more than one Plan. "Plan" and "This Plan" are defined below.

If this COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another Plan. The benefits of This Plan:

(a) will not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another Plan; but

(b) may be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described further in the section entitled Effect on the Benefits of This Plan.

Definitions

"Plan" is a form of coverage written on an expense incurred basis that provides benefits or services for, or because of, medical or dental care or treatment. "Plan" includes:

(a) group insurance and group remittance subscriber contracts;

(b) uninsured arrangements of group coverage;

(c) group coverage through HMO's and other prepayment, group practice and individual practice Plans; and

(d) blanket contracts, except blanket school accident coverages or a similar group when the Policy:

"Plan" does not include individual or family: (a) insurance contracts; (b) direct payment subscriber contracts; (c) coverage through HMO's; or (d) coverage under other prepayment, group practice and individual practice Plans.

"This Plan" is the parts of this blanket contract that provide benefits for health care expenses on an expense incurred basis.

"Primary Plan" is one whose benefits for a person's health care coverage must be determined without taking the existence of any other Plan into consideration. A Plan is a Primary Plan if either:

(a) the Plan either has no order of benefit determination rules, or it has rules which differ from those in the contract; or

(b) all Plans that cover the person use the same order of benefits determination rules as in this contract, and under those rules the Plan determines its benefits first.

"Secondary Plan" is one that is not a Primary Plan. If a person is covered by more than one (1) Secondary Plan, the order of benefit determination rules of this contract decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan, which, under the rules of this contract, has its benefits, determined before those of that Secondary Plan.

"Allowable Expense" is the necessary, reasonable, and customary item of expense for health care; when the item of expense is covered at least in part under any of the Plans involved.

The difference between the cost of a private hospital room and a semi-private hospital room is not considered an Allowable Expense under the above definition unless the patient's stay in a private hospital room is medically necessary in terms of generally accepted medical practice.

When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered both an Allowable Expense and a benefit paid.

"Claim" is a request that benefits of a Plan be provided or paid. The benefits claimed may be in the form of: (a) services (including supplies); (b) payment for all or a portion of the expenses incurred; or (c) a combination of (a) and (b).

"Claim Determination Period" is the period of time, which must not be less than twelve (12) consecutive months, over which Allowable Expenses are compared with total benefits payable in the absence of COB, to determine: (a) whether overinsurance exists; and (b) how much each Plan will pay or provide.

For the purposes of this contract, Claim Determination Period is the period of time beginning with the effective date of coverage and ending twelve (12) consecutive months following the date of loss or longer as may be determined by the proof of loss provision.

Order of Benefit Determination Rules

When This Plan is a Primary Plan, its benefits are determined before those of any other Plan and without considering another Plan's benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of any other Plan only when, under these rules, it is secondary to that other Plan.

When there is a basis for a Claim under This Plan and another Plan, This Plan is a Secondary Plan that has its benefits determined after those of the other Plan, unless:

(a) the other Plan has rules coordinating its benefits with those of This Plan; and

SAMPLE For Inquiry Purposes Only

(b) both those rules and This Plan's rules, as described below, require that This Plan's benefits be determined before those of the other Plan.

Rules. This Plan determines its order of benefits using the first of the following rules which applies:

(a) Nondependent/Dependent Rule. The benefits of the Plan which covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan that covers the person as a dependent.

(b) Longer/Shorter Length of Coverage Rule. The benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan that covered that person for the shorter time.

To determine the length of time a person has been covered under a Plan, two (2) Plans shall be treated as one if the claimant was eligible under the second within twenty-four (24) hours after the first ended. Thus, the start of a new Plan does not include: (a) a change in the amount or scope of a Plan's benefits; (b) a change in the entity which pays, provides or administers the Plan's benefits; or (c) a change from one (1) type of Plan to another. The claimant's length of time covered under a Plan is measured from the claimant's first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time the claimant's coverage under the present Plan has been in force.

Effect on the Benefits of This Plan When it is Secondary

The benefits of This Plan will be reduced when it is a Secondary Plan so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than the total Allowable Expenses, not otherwise paid, which were incurred during the Claim Determination Period by the person for whom the Claim is made. As each Claim is submitted, This Plan determines its obligation to pay for Allowable Expenses based on all Claims that were submitted up to that point in time during the Claim Determination Period.

Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts are needed. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give us any facts we need to pay the Claim.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, we may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable monetary value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by us is more than we should have paid under this COB provision, we may recover the excess from one or more of: (a) the persons we have paid or for whom we have paid; (b) insurance companies; or (c) other organizations.

Non-complying Plans

This Plan may coordinate its benefits with a Plan that is excess or always secondary or which uses order of benefit determination rules which are inconsistent with those of This Plan (non-complying Plan) on the following basis:

(a) If This Plan is the Primary Plan, This Plan will pay its benefits on a primary basis;

(b) if This Plan is the Secondary Plan, This Plan will pay its benefits first, but the amount of the benefits payable will be determined as if This Plan were the Secondary Plan. In this situation, our payment will be the limit of This Plan's liability; and

(c) if the non-complying Plan does not provide the information needed by This Plan to determine its benefits within thirty (30) days after it is requested to do so, we will assume that the benefits of the non-complying Plan are identical to This Plan and will pay benefits accordingly. However, we will adjust any payments made based on this assumption whenever information becomes available as to the actual benefits of the non-complying Plan.
